To whom it may concern:

Pursuant to the provisions of the Freedom of Information Act, I request a copy of any unpublished SWPA reports or memoranda concerning threats to the electric grid system from solar electromagnetic storm activity such as a Carrington Event type phenomenon, and/or any steps being taken by SWPA to address this potential problem.

This is an individual noncommercial request. I agree to pay up to \$25 for applicable fees if necessary.

Sincerely,

Michael Ravnitzky
